

TLC Safeguarding Support Officer Apprenticeship

Become a Skilled Protector and Supporter in Your Workplace

Why Safeguarding Support Matters: Safeguarding isn't just about policies; it's about actively protecting, supporting, and caring for those who need it most.

Our apprenticeship is focused on training individuals who will work on the front lines of safeguarding. You'll learn how to spot warning signs, respond appropriately, and provide essential support in critical situations.

What you'll Learn:

Identify Risks and Protect:
Gain expertise in recognising safeguarding risks and responding promptly.

Be a Trusted Support:
Learn the skills to support vulnerable individuals with empathy and professionalism.

Develop a Strong Foundation:
Build the core knowledge to serve effectively as a safeguarding support officer.

Key Benefits of Choosing TLC:

Expert Guidance:
TLC mentors provide personalised support throughout the program to help you succeed.

Flexible Learning:
We accommodate working professionals, allowing you to grow your skills without disrupting your career.

Recognition:
Get certified with TLC and start building your credibility as a skilled safeguarding professional.
